

SECURE OUR BORDERS.

LEARN THE TRUTH ABOUT IMMIGRATION AND THE BORDER.

Securing our national borders is imperative to safeguarding the country's sovereignty, protecting its citizens, and maintain economic stability.

Within weeks of becoming President, Joe Biden and his Democrat administration enacted more than 94 executive actions creating the worst border crisis in American history. He immediately stopped construction of the border wall, attempted to halt deportations for 100 days and ended agreements with foreign governments which were intended to prevent illegals from entering the United States (Remain in Mexico Policy). As a direct result, illegal border crossings have soared to all-time highs, drug overdoses due to fentanyl coming across our southern border have become the leading cause of death for Americans ages 18 to 45, Border Patrol encounters with people whose names appear on a list of known or suspected terrorists have never been higher and it's fueled the growing tragedy of human trafficking in America.

Why are democrats allowing this to happen? The answer is simple. They want to import progressive voters to change the election map of the United States forever. Republicans can't let that happen.

Save America.....Secure Our Border....Vote Republican!

The Facts:
